I. Call to Order

II. Meeting called to order by Hannah

III. Free and Reduced Lunch Discussion

- A. Motion by Julius to include language in our charter petition that states our first tier will remain reserved for board members, staff and siblings of current students. Second tier reserved for a weighted lottery, in which when our school-wide FRL population falls below 41%, a multiplier of 5 would be applied to FRL prospective K students. If the school-wide FRL population is above 41 but less than 46% we would apply a multiplier of 4. If the school-wide FRL population is at or above 46% we will not apply a multiplier. This would take effect in the 2019 lottery. Second by Peter, unanimous approval.
